NOTICE OF NEIGHBORHOOD MEETING

Residential Building Proposal
18 – 22 Mechanic Street
Tuesday, September 16TH at 6:30 pm
Quincy City Hall - Council Chambers
1305 Hancock Street

I will be hosting a neighborhood meeting on Tuesday, September 16th at 6:30 pm in the City Hall Council Chambers, 2nd floor of New City Hall to review the proposal by The Heritage Companies to remove the existing two-family home and parking lot at 18 – 22 Mechanic Street and construct a new, five (5) story thirty-four unit residential building with garage parking under the building on the first level and with units above.

I hope you will be able to attend this important meeting to discuss your thoughts, questions and concerns.

Keeping you informed of neighborhood developments that affect the community is very important to me and I look forward to seeing you on Tuesday, September 16th at 6:30pm.

If you are unable to attend please contact me at any time for information regarding this project or any other concerns or questions.

Sincerely,

Kirsten L. Hughes
Ward Five Councillor
