ADDENDUM NUMBER #1

RE: **BID DUE : January 8, 2015 @ 11:00 a.m.**

BID/RFP TITLE: "OLD O.H.S. GREEN SPACE" PLANTING & LANDSCAPING PROJECT

PLEASE NOTE :

Addendum #1

A question has been asked by a potential bidder for clarification:

Q. The plan states that the city will be supplying all planting soil. Does that include the planting bed soil and horticultural subsoil? Will the city be supplying the sand and compost for these mixtures or just the base loam? And will it be pre-mixed or is that the responsibility of the contractor?

A. We will be spreading a minimum of 12 inches of planting soil mix on the entire area that's going to be planted or sodded per the planting plan. That includes areas previously disturbed by the Coddington Hall contract that are to be planted under this new planting contract. In addition, we will supply additional planting soil on site for backfilling tree pits that extend into the subsoil below the 12 inch layer.

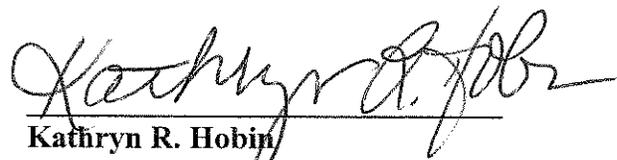

Q. Can you please tell me the estimated start & completion dates of the above project, if there is a pre-bid conference scheduled, and if so is attendance mandatory?

A. The estimated start date for the project would be the third week of April, and the latest estimated completion date would be the last week of May (depending on stock availability and weather).

We do not have a pre-bid conference scheduled as of the writing of this email.

Thank you.

PLEASE ACKNOWLEDGE THIS ADDENDUM ON YOUR BID, AS IT IS NOW A PART OF THE BID.
