

Adams/Hancock Green & Downtown Construction Activities

Proposed work activities for the week of: August 14, 2016

- Work continues in the park in front of City Hall with the granite work scheduled to take place this week.
- The section of the Adams Green Transportation Project in front of the Bank of America building has the contractor installing light bases, new curbing and sidewalks.
- NGRID Electric will be installing new cables in their manholes in front of Stop & Shop to improve their infrastructure.
- Upgrades continue for the NGRID Electric and Verizon infrastructure at the north and south ends of the Adams/Hancock Park.

(The photo above left shows the construction work taking place in front of the Bank of America building. The photo on the above right shows the newly installed sidewalks, curbing, tree planters and light bases.)
