

SECTION 00 91 13.1

ADDENDUM NO. 1

NOTICE is hereby given of the following **additional information and clarifications** which do not cause change to the Bidding Documents. The answers below are provided in response to questions and comments submitted by Bidders.

1. *“Page 00 45 05.01-3 Section 1.03 Section A & B – are we to submit with bid a certificate from the Sec of State as outlined in Section A and Good Standing Letter in Section B OR do we only have to submit to GC if we are the successful sub.?”*

Answer: Section 00 45 05 1.03 A & B indicates that the bidder needs to submit the certificates with the bid and provide to the general bidder if they are selected.

2. *“I am looking for a clarification for the synthetic turf scope on this project, on drawing C-205 it is noted that the synthetic turf will be furnished by the owner, so I am just looking for confirmation the turf is not part of this bid package.”*

Answer: The Bid Documents Section 01 15 00 Specific Project Requirements and Procedures provided additional information regarding the site existing conditions including the plan set for the North Quincy High School Public Works Improvement Project that was previously bid and currently under construction. The reference documents in question are not the project currently being bid. There is not a synthetic turf component within this contract.
