ADDENDUM NUMBER 1

BID TITLE: *Residential Fence Repairs*

BID DUE: *May 12, 2015 @ 11:30*

PLEASE NOTE: *The following questions were asked regarding this bid;*

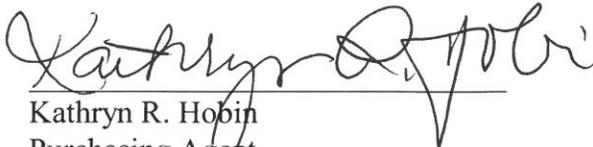

Q. Should we be quoting the material and labor separately or together? The pricing page of the bid package has labor listed separately, but I figured maybe this line item was intended for misc. fence work that isn't specified elsewhere.

A. Please quote labor and materials separate as stated on the bid form.

Q. Also should we bid the labor based on just one fence installer with a truck? Typically when I've run into bids like this where labor is a separate line item we give you a price for a 2-man fence crew with truck.

A. As for labor, we are looking for what the company charges—whatever the hourly cost would be to send out a crew for repairs.

PLEASE SIGN THIS SHEET AND ATTACH IT TO YOUR BID, AS IT IS NOW A PART OF THE BID.
