

SECTION 00 91 13

ADDENDUM NO. 1

NOTICE is hereby given of the following additional information and clarifications which do not cause change to the Bidding Documents. The answers below are provided in response to questions and comments submitted by Bidders.

1. Bid Item 28 – Tree/ Bush Removed, Stored, Protected and Reinstalled does not specify the sizes and species of the Plants/Trees. This will need to be known as to how to handle and care for the plants. How long does the plants need to be stored for?

Answer: The sizes and species of the Tree/ Bush Removed, Stored, Protected and Reinstalled can be qualified as of the arborvitae variety and approximately 4 to 6 feet in height. The duration of storage shall be minimized to facilitate drain line construction and shall be reinstalled upon completion of construction within the area during surface restoration activities.
