Community Meeting
Brook Street Proposal
Tuesday, August 30th at 7:00 pm
Wollaston Elementary School
205 Beale Street

Dear Neighbor:

I will be hosting a Community Meeting at Wollaston Elementary School on Tuesday, August 30th at 7:00 pm to review and discuss a proposed 3-story, 15-unit residential development over the existing bakery on Brook Street.

The Community Meeting is the first step in the process and is an opportunity for residents to voice concerns and have any questions answered. If this matter is of importance to you, I encourage you to attend this meeting.

If this proposal goes forward, it will require review from the Zoning Board of Appeals and immediate abutters will receive notification from the applicant with the details of the public hearing.

As your Ward Councillor, one of my most important roles is to keep you informed of matters that may affect you. If you would like to receive the Ward 3 e-newsletter, which contains important community information, please send me an email at icain@quincyma.gov and I will add you to the list.

Sincerely,

Ian C. Cain
Ward Three Councillor
