

Filing for Pesticide Exclusions
Norfolk County Mosquito Control Project

Contact the Norfolk County Mosquito Control Project at: (781) 762-3681

Please be advised that according to 333 CMR 10.03, all residents requesting to exclude their property from pesticide applications must file with the City Clerk, by certified mail, by March 1st of each year and it is recommended that a copy of the exclusion filing be sent to the Quincy Health Department.

This filing must include the following information:

1. Name and Address
2. Telephone Number
3. Names of all Abutters
4. List of Program(s) from which exclusion is requested

Those filing for exclusion must post their property at least every fifty (50) feet with markings made known to those making the applications.

In addition to Source Reduction Work (cleaning drainage ditches, cutting brush which obstructs drainage and reconstruction of drainage structures), the Norfolk County Mosquito Control Project applies pesticides as follows:

- Larvaciding (the treatment of mosquito larvae during aquatic development) from April to September/October (both ground and aerial applications) and,
- Adulticiding (the treatment of adult mosquitoes) by fogging from trucks, from May to September.
