

## **Public Education for Fire Safety**

The Quincy Fire department Fire Prevention Bureau frequently conducts fire safety presentations throughout the city of Quincy. Fire Department members actively participate in the Student Awareness of Fire Education Program (S.A.F.E.). This successful program teaches fire safety education to grades K-3 in all public and private schools in the City of Quincy. Other grades and groups can also be taught if requested. If you would like for the Quincy Fire Department to conduct a presentation, please call the fire prevention office at (617) 376-1015.
