Tires

Mercury is a toxic metal. *State law bans the disposal of products containing mercury in the trash. When Mercury is released into the air (by trash incinerators, landfills and wastewater discharges) it can accumulate in people and wildlife. Children and fetuses are particularly vulnerable, because it can damage their developing nervous systems.**

Bring your Mercury containing items to Clean Harbors, 1 Hill Ave., Braintree, 781-380-7100.

Thermostats
Thermometers
Button Batteries
Neon Lamps
Barometers Flow Meters
Hydrometers
Switches and Relays
Fluorescent Lamps
U-Tubes
CFL (swirly bulbs)
Ni-cad and Lithium batteries
