ADDENDUM NUMBER 3

TITLE: RFQ for Engineering Design Services – MBTA Intermodal Facility

PREVIOUSLY DUE: July 26, 2013 at 11:00 a.m.

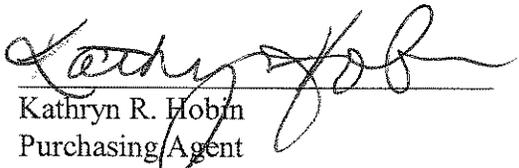

***PLEASE NOTE: THE DUE DATE FOR RFQ HAS BEEN EXTENDED UNTIL
AUGUST 14, 2013 AT 11:00.***

Questions will be answered until August 1, 2013 at 4:00 p.m.

The following are the responses to questions received by the Purchasing Department.

- 1. QUESTION:** Is a full NEPA documentation required?
Answer: This contract requires NEPA clearance and it is up to proposers to determine the extent of work required to achieve NEPA and MEPA clearance for this transit oriented development project. We have supplied proposers with information that the existing station and ground floor retail shall be rehabilitated, that the existing bus way will be relocated, that the existing parking garage will be replaced, that the existing justice center in Quincy Center will be relocated, that the National Park Service office and facility in Quincy Center will be relocated and that additional transit oriented office space will be built above the National Park Service space.
- 2. QUESTION:** How will the MBTA be involved in the selection process and in design development?
Answer: The MBTA, as a partner with the City of Quincy, will participate in the selection process.
- 3. QUESTION:** Will any sub consultants the consultant uses also be precluded from future work on the project?
Answer: Yes, all members of the team including their sub consultants will be precluded from the future project because they will be part of the team representing the City and MBTA during procurement, design review and construction phase of the future project.
- 4. QUESTION:** Is there a specific DBE, MBE or Small Business requirement or goal for the study?
Answer: Because the project will be federally funded the DBE will be 10 %. DBE's may be either MBE, WBE or both to accomplish this goal.

PLEASE SIGN THIS SHEET AND ATTACH IT TO YOUR BID AS IT IS NOW A PART OF THE BID.
