

**nationalgrid**

HERE WITH YOU. HERE FOR YOU.

**We're upgrading the natural gas main.**

May 19, 2016

**Re: Natural Gas Work in Quincy. ( work order # 965088 )**

Dear City Officials,

National Grid is committed to safely and reliably delivering energy to our community. That's why we are replacing the natural gas main at **31 to 100 Bicknell ST.; 4 Taffrail RD.; 2 to 54 Saint Germain ST.; 10 to 29 Prescott TER.; 7 to 21 Edwards LN., Quincy, MA.** As part of this project, we will also replace the natural gas service piping that connects the main to the customer's gas meters. Approximately **77** premises are within the construction limits.

Construction is expected to begin on **May 30, 2016** and anticipated to last to **August 30, 2016** weather permitting. We will work hard to complete this project promptly and with minimal disruption to the community. Visit **[ngrid.com/mainline](http://ngrid.com/mainline)** to view a YouTube video on this gas main replacement process. A second video explaining the replacement of the service pipe to customer homes is available at **[ngrid.com/serviceline](http://ngrid.com/serviceline)**.

Enclosed is a notification that will be distributed to all affected constituents. We're here for you if you have any questions about this project. Please contact me at **1-508-897-5589**.

We look forward to working with you as we upgrade our community's infrastructure.

Sincerely,  
Joseph Cardinal  
Manager, Community & Customer Management  
National Grid  
100 East Ashland ST  
Brockton, MA 02302
