

City of Quincy Cemetery Department

Monuments

1. Unloading and setting of monuments, headstones or markers shall not be allowed after 3:00 p.m. of any day. Between May 22 and May 31, there will be no unloading or setting of headstones, monuments or markers. No monument shall be left on a lot without the express permission of the General Foreman.
2. Designs for all monuments, headstones and markers MUST be approved by the General Foreman and or the Board of Managers. All requests must have the height, width and length of the monument.
3. Only one upright monument shall be allowed per lot. Individual graves shall be marked with flush markers. All monuments must be centered on the lot. The die must be 8" in thickness and the base of the memorial must not exceed 8" above the ground. Both die and base must be of the same material.
