C.149 Section 44, all proposals shall remain confidential until the completion of all evaluations pursuant to this Request for Proposals. Notwithstanding the provisions of M.G.L. Rights to Submitted Material: All proposals, responses, inquiries, or correspondence relating to or in reference to this Request for Proposals, and all reports, charts, displays, schedules, exhibits, and other documentation submitted by proposers shall become the property of the City of Quincy when received. All material submitted by consultants becomes the irrevocable and sole property of the City of Quincy unless otherwise specified in this RFP. The City of Quincy shall be under no obligation to return any proposals or material submitted by a consultant in response to this Request for Proposals unless specified in this document.

Selection Criteria

All proposers will receive consideration without regard to race, color, creed, age, sex, religion, or national origin.

Proposals will be ranked on the following scale of maximum benefit to the city: “Highly Advantageous” (3 points), “Advantageous” (2 points), “Not Advantageous” (1 point), or “Unacceptable” (0 points). In addition, references may be checked and applicants may be interviewed during the selection process. The proposal submitted should specifically address all evaluation criteria for each service item for which a proposal is submitted.

Proposals will be evaluated based on their responsiveness to the following criteria:

- 1) Architectural and design elements specific to desired motif and internal components (i.e. fixtures).
- 2) Prior successful experience in providing the type of facility being requested as evidenced by sample submissions and references.
- 3) Thorough knowledge and understanding of all elements of the required Scope of Work and proposed approach.
- 4) Estimated time of completion following award and ability to commence work immediately
- 5) The type of warranty offered on both structure and fixtures.

Award of Contract

The City of Quincy through a selection committee shall review all qualified proposals. This review *may*, if the City deems necessary, include interviews with the lead firm that will receive work under this contract. The selection will determine the selected proposer in review of the Non-Price Proposals, prior to opening the required Price-Proposals. The contract will be awarded to the selected proposer on completion of evaluation of proposals.

If the selection committee will rank first a Non-Price Proposal which is not the least expensive Price-Proposal, then the selection committee shall specify in writing why the added benefits of the proposal outweigh the higher fee being proposed by the vendor. The selection committee shall prepare, based on its ratings, rankings and written justification a recommendation to the Chief Procurement Officer for the execution of a contract. The recommendations shall include any conditions to the recommended award, which require successful negotiation or revisions to the Scope of Work identified by the selection committee and/or other Quincy officials during the evaluation of the proposal. The scope of these negotiations shall be limited to those areas authorized by M.G.L. Chapter 149 section 44. The City of Quincy shall award any and all contracts authorized under this RFP.

Following the procedures previously described, the City of Quincy will make a decision regarding selection of the consultant with whom it wishes to enter into contract negotiations. This may not necessarily be the low bidder. The nonselection of any proposal will mean that another proposal was deemed to be more advantageous to the City of Quincy or that no proposal was accepted. Proposers whose proposals were not accepted will be so notified.

Execution of Contract

Upon the acceptance of a Consultant's proposal(s), the City with assistance from the Park Director will prepare a contract. In the event that the successful Consultant fails, neglects or refuses to execute the contract within fourteen (14) days after receiving a letter of award from the City, the City may at its option terminate and cancel its action in awarding the contract and the selection of the consultant shall become null and void and of no effect. The City may then proceed to the next highest rated proposal(s) accordingly. The Consultants must provide insurance certificates to the City prior to award of the Contract.

Incorporated by reference into the Professional Services Contract which is to be entered into by the City and the successful Consultant pursuant to this RFP shall be:

1. All of the information presented in this RFP and the consultant's response thereto. Within the Professional Services Contract, the term "proposer" shall be synonymous with the terms "consultant" and "firm" for any and all provisions therein.

2. All written communications between the City and the consultant (s) whose proposal is accepted. An authorized official of the consultant(s) and the City of Quincy shall execute the contract(s).

Reservation of Rights

The City of Quincy reserves the right to cancel this Request for Proposals, to accept or reject in whole or in part any and all proposals, or to waive any informality in the proposing when it is determined that said cancellation or rejection serves the best interests of the City. Description of Work: Installation of one pre-cast, pre-engineered restroom building to be installed at Fore River Field
Job Location: Harrison Ave, Quincy, MA

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the “Wage Request Number” on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule from the Department of Labor Standards (“DLS”) if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or any sub-contractor.
- All apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentice must keep his/her apprentice identification card on his/her person during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **If an apprentice rate is not listed on the prevailing wage schedule for the trade in which an apprentice is registered with the DAS, the apprentice must be paid the journeyworker's rate for the trade.**
- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule. Awarding authorities are required to request these updates no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. Contractors are required to obtain the wage schedules from awarding authorities, and to pay no less than these rates to covered workers. The annual update requirement is not applicable to 27F “rental of equipment” contracts.
- Every contractor or subcontractor which performs construction work on the project is required to submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee’s name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. A sample of a payroll reporting form may be obtained at <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may report the violation to the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
- Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
