Metropolitan Area Planning Council to Host Public Forum on Quincy Housing Goals

On Wednesday, July 8th from 6:30 – 8:30 pm at the Central Middle School Cafeteria, 875 Hancock Street, the Metropolitan Area Planning Council will be seeking the public's input to better understand local housing issues and establish housing goals for the City of Quincy.

The first of two public forums, MAPC is working with the City of Quincy's Planning and Community Development Department to develop a Housing Production Plan to guide the City in a market-rate and affordable housing preservation and creation strategy. Through community input, the Housing Production Plan will identify the City's housing needs, demand, opportunities, challenges, and goals for the future. The Plan will also assist our City in meeting Quincy's state-mandated affordable production target.

Please register for the forum online by visiting <http://tinyurl.com/quincyrsvp>. You may also share your thoughts on current and future housing opportunities by completing a brief online survey at <http://tinyurl.com/hpps survey>. For more information or for special accommodations, contact Matt Smith, Senior Planner at msmith@mapc.org or (617) 933-0760.
