The meeting was called to order by Chairman Ricci at 7:00 p.m .

The Minutes of the November 28, 2011 were approved, with the corrections of typographical errors, on a motion made by Member Manning, second by Member Jacobs.

The minutes of the Special Meeting of December 5, 2011 were approved with the following corrections by Member Hunt, on the fourth sentence the word 'not 'be inserted after District, and the word 'but' after the word process. A motion was offered by Member Hunt, second by Member Manning.

1. Sara hair Salon: 1552 Hancock St. The application was reviewed by the board and was approved noting that the curve on the present sign was to be removed so that the new sign would be flat, the awning remains in place, the lights are in working order, and no window signs are allowed. On a motion by Member Manning, second by Member Hunt that the application be accepted as presented. The vote was unanimous.

2, Other Business:

A.. Mr. Chris Greene of Halvorson Design Group was present to explain the Draft Final Report of the Hancock Cemetery Project. Mr. Greene spoke at length about the process of how the report was assembled by the various professionals who did the work. He essentially spoke about the findings of the consultants. He also presented the Guiding Principles that evolved as a result of the process. The second part of his remarks had to do with remedies for the cemetery and the budget associated by the recommendations.

Discussion ensued about funding sources to implement the results of the survey of the condition of the cemetery. A strategy for funds will be brought to the Ad Hoc Committee for the project. This will also include meetings with Planning Director Harrington to help determine the next steps.

B. Member Hunt raised the matter of the Guidelines effort started by the QHC. It was decided the approach Director Harrington for direction on the matter.

On a motion by Member Affsa, second by Member Fitzgerald the meeting adjourned at 8:50 p.m.
