Re: Road Improvement Bid 2011

---

Please note that the City of Quincy, after consulting with the Massachusetts Attorney General's office and the Massachusetts Department of Transportation has concluded that the 2011 Road Improvement Bid which opened on May 12, 2011 will need to be re-bid.

Pursuant to MGL Chapter 303, Section 60 of the Acts of 2008 - An Act Financing Improvements to the Commonwealth's Transportation System - all municipalities are required to include a price adjustment clause for diesel fuel, gasoline, liquid asphalt, Portland cement concrete and steel in the bid documents of all construction contracts to be funded using Chapter 90 funds. That clause was *not* contained within the bid documents that went out on this job.

Please note the Re-bid for 2011 Road Improvements 2011 will open June 9<sup>th</sup> at 11:00. All interested vendors should please check the City of Quincy's website for all necessary bid documents. Thank you for your attention to this matter.
