

## 2015 Construction Season

### Sidewalk Repair Maintenance Program

The Department is pleased to inform you that Mayor Thomas P. Koch has approved the necessary repairs to the following sidewalks. These improvements are part of Mayor Koch's ongoing program to improve our public-rights of way and the funding for this initiative has been supported by and approved by the Quincy City Council.

This important work is underway and is scheduled to be completed this spring/early summer and will be phased in as follows:

#### Private Contractor Tasco Construction

- (a) The area to be repaired will be marked in conformity with DigSafe regulations.
- (b) The City's Contractor (Tasco Construction) will remove the existing sidewalk surface and prepare the area for final resurfacing.
- (c) The final resurfacing will be completed by Tasco Construction.

The City's representative for this project is Junior Civil Engineer Dan Giannandrea who can be reached at (617) 376-1938.

Unfortunately, you may experience some delay between the removal of your sidewalk and the replacement of same. We will do our best to minimize the inconvenience to you. However, this policy has enabled us to increase our productivity and get more work done with limited resources. We respectfully ask for your cooperation during construction
