Neighborhood Meeting
Tuesday, November 1st at 6:00 p.m.
Wollaston School Gymnasium
205 Beale Street

Dear Neighbor:

Ward Three City Councillor Ian Cain and I will be hosting a Neighborhood Meeting on Tuesday, November 1, 2016 at 6:00 PM at the Wollaston School Gymnasium at 205 Beale Street. The purpose of this meeting is to discuss the traffic challenges in the Willow Avenue area. I have received calls voicing concerns about the impact of motorists utilizing this neighborhood as a cut through. Members of the Quincy Police and the City's Traffic Departments will be in attendance to answer questions and make suggestions on possible traffic measures to help alleviate this issue.

I hope you will join us for this important discussion on how we can make the neighborhood safer for all families who live here. One of our most important roles as your Ward Councillors is to keep you informed of matters that may affect you. We welcome you to contact us if you have a question or need additional information. We both email a newsletter to residents to keep them informed as well as actively utilize social media. Please contact either of us to sign up for our e-newsletter and/or send a "friend request" to enhance our communication opportunities.

Sincerely,

Kirsten L. Hughes
Ward Five Councillor

Ian C. Cain
Ward Three Councillor
