Community Meeting

133-135 Hancock Street Proposal
Thursday, May 28, 2015 @ 6:00 p.m.
Best Western Adams Inn
29 Hancock Street

Dear Neighbor,

As many of you know, there is a pending proposal to redevelop the site of 133-135 Hancock Street about which there has been no public outreach. With the exception of a notice from the Quincy Planning Board, the applicant, prior to my engagement, had not sought to provide information to the community or to secure community feedback. At my request the Planning Board rescheduled its May meeting on this matter to June 10, 2015. I have also required the convening of a community meeting to discuss the proposal for this location which has now been scheduled for **Thursday, May 28, 2015 at 6:00 p.m. at the Best Western Adams Inn**. I requested a full narrative description of this project which has not been provided to date. **If this matter is of concern to you, I urge you to attend this community meeting.**

Sincerely,

Kevin F. Coughlin
Ward Three Councillor
