Community Meeting
510 Willard Street
Wednesday, May 27th at 6:00 pm
Sterling Middle School Auditorium
444 Granite Street

Dear Neighbor:

I have been approached by a developer who wishes to subdivide the lot at 510 Willard Street into four lots and build two single family homes on two of these lots. As stated in Attorney Robert W. Harnais letter on the reverse side, this new proposal consists of the two existing dwellings as well as building two new two and a half story single family homes which will be accessed through Loring Street.

The developer, 510 Willard Street Realty Trust, has requested an opportunity to present this proposal to the neighbors and I have scheduled a Community Meeting for Wednesday, May 27th at 6:00 pm in the Reay E. Sterling Middle School Auditorium. Representatives from 510 Willard Street Realty Trust along with their Attorney Robert W. Harnais will be in attendance to address your questions and concerns. If you have any questions or concerns regarding this project I encourage you to attend this Community Meeting.

One of my most important roles as your Ward Councillor is to keep you apprised of matters that affect our neighborhoods. If you have any specific questions on the project the developer's attorney Robert W. Harnais, Esq. is available at 617-770-0000 Ext. 108.

If you do not already receive the Ward Four e-newsletter which contains important community information, please send me an email at bpalmucci@quincyma.gov and I will add you to the list. You can also follow me on Twitter and Facebook for current Ward Four information.

Sincerely,

Brian Palmucci
Ward Four Councillor
