

RFP-for DPW Yard Materials Processing

The City of Quincy, Purchasing Department, acting on behalf of the Quincy Department of Public Works (DPW), 55 Sea Street, Quincy MA 02169 will accept proposals from qualified parties for providing all or some of the following services:

“DPW yard site restoration to proposed conditions; removal, transportation and off-site disposal of existing materials necessary to bring the site to proposed conditions; processing of yard waste; processing of brush; processing of clean fill from municipal and residential projects; processing/crushing of asphalt/concrete from the Municipality’s DPW-related projects, processing of municipal street sweepings, transport and off-site disposal of solid waste generated from materials processing operations.”

The proposals will be received at Quincy City Hall, 1305 Hancock St. MA 02169 until **10:00 AM on April 2, 2012.**

There will not be a public opening or reading of the proposals and all proposals will be considered confidential until the contract has been awarded.

These proposals are not governed under Massachusetts General Laws Chapter 30B, and as such, the City of Quincy reserves the right to negotiate terms after the proposals have been received.

The RFP packet may be obtained after March 14, 2012, at the offices of Environmental Partners Group, located at 1900 Crown Colony Drive, Suite 402, Quincy, MA 02169 Tel: (617) 657-0254.

A non-refundable printing cost of \$50.00 certified check, company check or money order payable to Environmental Partners Group will be required for each set of the Contract Documents. Those requesting Contract Documents by mail shall also include a separate non-refundable deposit payable to Environmental Partners Group, Inc. in the amount of \$25.00 per set to cover the costs of handling and mailing.

The City of Quincy reserves the right to waive any informality; and to reject any or all proposals if deemed not to be in the best interest of the City of Quincy.
