ADDENDUM NUMBER 1

RE: **BID DUE : June 22, 2012 @ 11:15 A.M.**

BID/RFP TITLE: STUMP GRINDING

Addendum #1

The following questions have been raised regarding this Invitation to bid and the City's response is as follows:

Q. What is the approx. number of stumps to be ground?

A. *There are approx. 275 stumps to be grinded.*

Q. Are they accessible by truck? We have a trailer type stump grinder that we would like to use if possible.

A. *Yes, the stumps are generally in the loam border between the street and sidewalk. All of our previous stump contracts have been performed by a trailer-mounted stump grinder being pulled by a 1-ton truck.*

Q. We understand that you are looking for a price per stump for both "medium" and "large" stumps. But since there is no list of how many stumps of each size, how can we give a "Total Bid Price"?

A. *Please disregard "Total Bid Price" on bid form, pricing per "Large & Medium" only.*

PLEASE NOTE: Any excessive settlement or lack of grass growth shall be cause to refill and re-seed holes.

Thank you.

PLEASE SIGN THIS SHEET AND ATTACH IT TO YOUR BID, AS IT IS NOW A PART OF THE BID.
