RE: MWRA Sewer Appropriation

The line item in our Sewer Budget to pay the MWRA for Sewer Services in fiscal 2015 was based on an estimated amount that we received from the MWRA. This year the final amount came in higher than the initial estimate. This necessitates an appropriation of \$51,000 to Fund No. 761054 (Other Assessments) from the Sewer Enterprise Account Stabilization Fund.

Please let me know if youm require any additional information. Thank you very much.
