

Quincy Community Preservation Committee

Thank you for your interest in **QUINCY'S COMMUNITY PRESERVATION ACT**. We hope this document will provide a helpful overview of the application process.

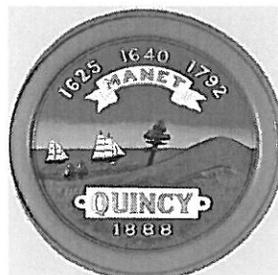

THE COMMUNITY PRESERVATION ACT (CPA) is a state law (MGL Chapter 44B) designed to help cities and towns preserve the character of their community. Quincy voters passed the Community Preservation Act in 2006, adopting a less than 1% property tax surcharge. The Commonwealth of Massachusetts matches the amount raised by this surcharge. Percentage of match will vary from year to year depending upon the number of participating communities, and fees paid at the Registries of Deeds. Monies raised by the local surcharge and state match may only be used to acquire and protect open space, preserve historic buildings and landscapes, create affordable housing, and provide new recreational opportunities.

The Community Preservation Committee (CPC) reviews proposals for the use of these funds. The CPC meets on the second Thursday of the month, from September to June. All applications are carefully reviewed before the CPC votes regarding which projects will be recommended to the Mayor and City Council. Projects partnered with other funding sources are more appreciated by the CPC. All projects must be completed within three years of receiving City Council approval.

Applications for consideration for the upcoming fiscal year are available at the Solicitor's Office in City Hall, or online at the City of Quincy's web site at www.quincyma.gov. Deadline for filing applications is 4:30 pm on Friday, February 3, 2012. We encourage you to read and understand the attached and to fill out your application thoughtfully and completely. For additional resources, please go to www.CommunityPreservation.org

For proposals involved city owned or controlled land and structures, either the applicant or the co-applicant must be the City agency/department in control of the property. In which case, the department head of the department controlling the property must also sign the application. One of the names below must be affixed to the application.
