The City Council of the City of Quincy met on Monday, June 13, 2011 in the City Hall Council Chambers with Council President Kevin F. Coughlin presiding. All Councillors were present.

President Coughlin opened the meeting at 6:30 p.m. This Special Meeting was called to discuss the proposed re-precincting of the City Wards and Precincts. Mr. Joseph Shea, City Clerk, reported to the City Council on Order #2011-092, which was objected to at the June 6, 2011 Council Meeting. Clerk Shea presented the Board of Registrars' recommendations to change the ward and precinct boundaries. The changes are based on the 2010 U.S. Census population figures forwarded to the City on April of 2011. Clerk Shea reported that all precinct and ward lines were redrawn with technical assistance from Secretary of State William Galvin's office. Several plans were submitted and edited over a period of 6 to 8 weeks before a final draft was submitted by the Board. A Public Hearing of the Board of Registrars was held on May 19, 2011 in the City Hall Conference Room. After a brief discussion on a Motion of Councillor Michael McFarland and seconded by Councillor Brian Palmucci, the recommendation of the Board of Registrars was adopted 9 - 0.

Motion to adjourn. Meeting adjourned at 7:25 p.m.
