▶ Update – Presentation on 2016 - 068 – Resolve - Seeking Report on the Citys efforts to control and eradicate rodents by Health Commissioner Andrew Scheele

Administrative representative Christopher Walker addressed the Council and spoke regarding the coming proposal for trash and recycling collection.

Health Commissioner Scheele addressed the Council and reviewed the progress that has been made by his department. Making the program known to the public has helped get the word out. Most of this is still attributed to the bad winter of 2015. Restaurants have always been required to have a pest control company on contract and bait boxes are on premises and serviced. The MBTA has been engaged and they are also baiting and it has been very helpful.
