ADDENDUM NUMBER 1

BID TITLE: QUINCY DOG PARK

BID DUE: MAY 17, 2018 @ 12:30

PLEASE NOTE: The following questions were asked regarding this BID

Q. Is it possible to receive a clarification on the fence items of work. Which fence is Omega Fence and which fence is chain link fencing? Is the guardrail included in the scope of work?

A. All the fencing is Omega fence. We do not see any guardrail in the dog park section of T&B’s drawings, so I will say the answer is ‘no guardrails.’

Q. In reviewing the contract documents for the above referenced project there are two sets of drawings listed on the City of Quincy purchasing bid site, 1 set has five (5) pages and list the Rauhaus Freedenfeld & Associates and the other is seventeen (17) pages titled “Draft not for Construction” and is prepared by Tighe & Bond. Please advise what documents are applicable to bid this project.

A. Both set of drawings are part of this bid, it should be noted that T&B drawings only are in reference to the dog park and not the shelter or access road; “draft not for construction” is only for the bid set, so not to be confused with the permit set.

PLEASE SIGN THIS SHEET AND ATTACH IT TO YOUR BID, AS IT IS NOW A PART OF THE BID.
